**\* Comments:**

I appreciated Noelle's willingness to teach her lesson twice--in a row. It was obvious that she was reflecting on the class that had just happened, and I noticed changes in her approach to what she was teaching, based on previous experience with the material.

Keep having a "willing to learn" attitude, and soak it all in-- off to a good start.

3's in content knowledge/resourcefulness/instructional ability because 4's imply mastery, and practicum students aren't there yet! :)
